

Retail Leaders APPRENTICESHIP PROGRAM

The Kentucky Retail Institute, in partnership with the MBA Research & Curriculum Center, is proud to launch a first-of-its-kind apprenticeship program to deliver on-the-job education and training for future retail leaders nationwide.

The retail industry is the nation's largest private-sector employer, supporting 1 in 4 jobs nationwide. Join us in training the country's future retail leaders.

The Retail Leaders program provides students and working adults with the comprehensive training and education they need for a stable and successful career.

Robust curriculum approved by the U.S. Department of Labor that encompasses the entire scope of retail operations:

- Customer service
- Product knowledge and selling
- POS and technology
- Inventory management
- Loss prevention
- Logistics
- Merchandising and display design
- Pricing
- Accounting
- Cash flow and finance
- Human resources
- Store security and safety
- Problem solving
- Career development

A roadmap for students and working adults to gain firsthand, on-the-job experience so they can learn new skills and advance their careers

Helps retail employers gain dedicated employees and retain committed staff

Members of the Kentucky Retail Federation can join our Retail Leaders pilot program and use our curriculum for free!
