

HEALTH SCIENCE PREVIEW DAY

Tuesday, March 26, 2024 at 9:30 AM until 1:00 PM Eastern Daylight Time UTC -04:00

824 S 4th St
Louisville, KY 40203
United States

Students will have the option to engage and learn more about the following programs offered at Spalding:

- Biology/Natural Science
- Athletic Training (3+2)
- Occupational Therapy (Graduate pathway)
- Physical Therapy (3+4)
- Health Science
- Nursing (Nursing Guaranteed Admission Program)

[Map and Directions](#)

This day will provide students with a guaranteed hands-on classroom learning experience with a faculty member leading the session. Students interested in pursuing a career in the science or healthcare field will receive an overview of the related majors offered at Spalding University, an overview of graduate degree fast track opportunities, and other important information on topics such as scholarships and financial aid.

Registration is no longer available because the registration deadline has passed.
